HARDY ASTERS

These New Hardy Perennial Asters, Most Useful, Showy and Best Cut Flower Varieties

How they bloom when you need flowers. The beautiful new hybrids now rank with the showiest and most attractive flowering plants. Perfectly hardy and give enormous quantities of bloom during September and October.

Nothing you can plant outside is more showy or will produce cheaper, better or more usable cut flowers. Our plants are true to name, and will produce flowers in such an abundance this season you will be more than elated.

Rooted Cuttings potted up now, make excellent showy plants for retail sales this spring.

When **Popular Priced Plants** are in Demand as they are today, the 2-in. plants in Planting Pots are ideal and ready for immediate sale.
